***Application Due Date: October 31, 2022***

Santa Clara Valley PTA is offering grants of \$50 to \$200 to local PTAs for projects to help their communities and strengthen their organizations.

Grants are available to PTA units and councils within the area served by Sixth District PTA (Santa Clara, Santa Cruz, and Monterey counties)

Funding requests for programs in the following areas will be considered. Please indicate which area your project will fall under (a maximum of one grant will be offered to the applicant):

- Hospitality event
- Membership drive
- MyPTEZ (PTA-specific financial software—see <https://capta.org/pta-leaders/services/ptaez/>)
- Officer training
- Parent education
- Support for Covid-related online meeting tools/costs
- Other

Priority for grants will be given to PTAs in low-wealth areas, and for projects or events that

- Align with one or more of PTA's purposes (see <http://toolkit.capta.org/know-the-pta/purpose-of-the-pta/>)
- Benefit as many children as possible
- Raise awareness of PTA's purposes in the larger community
- Encourage continued participation in PTA's projects and activities.

Priority will be given to PTAs that have not received Santa Clara Valley PTA grant funds during the prior school year.

Grants are intended to supplement the unit or council funding for the project.

Grant recipients are asked to provide a brief written summary, by May 31, 2023, on how their PTA used the funds.

In addition to funding, advisory assistance from SCVPTA may be available to PTAs in planning a parent education program.
